

# CCP/CCD Status Flow

## For changes <8%, < \$50K

**NOTES:**

- At contract award, chief estimator receives email and has opportunity to update assigned Estimator, if desired
- When CCP/CCD reaches FINALIZE status, project support completes one final review. Combines related docs into PDF (Need guidance from Mitch)
- Once that workflow is approved, final status is "PROCESSED". Once CCP/CCD reaches PROCESSED status, it is available for inclusion in a Change Order
