Samford Lawn Christmas Tree

Auburn's Christmas Tree, a Green Giant Arborvitae, was planted on Samford Lawn in 2007 by Landscape Services.

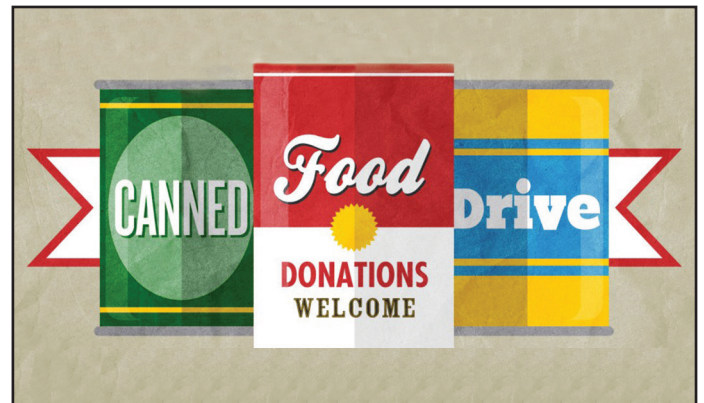

Landscape Services coordinates and decorates the Christmas Tree each year. It takes approximately 1,000 lights, 50 orange and blue bows and 30 ball ornaments to decorate this size tree!

Congratulations!

The Foy Lobby renovation and the Foy ESL suite renovation projects won two national awards at the Association of University Interior Designers conference, which was hosted by Auburn in October. They won first place in two of the five categories: "Renovations under \$50,000" and "Renovations \$150,000-\$500,000." The projects were completed over the summer as part of a Facilities-Provost renovation plan. Congratulations to everyone who worked on these projects!
