

THE FACILITIES TIMES

FACILITIES MANAGEMENT

December 2019

Holiday Open House a great success

Facilities Management came together to celebrate another year through the annual Holiday Luncheon held at Ham Wilson on Monday, Dec. 9.

Members of the Facilities Employee Engagement Committee, again, put on an incredible meal for the employees of Facilities Management, including giveaways and a dessert contest, with first place going to Tripp Thrash, second place to Vinny Cicchino and third place to Phillip Thompson.

Associate Vice President Dan King also took time to celebrate the retirement of Director of Employee Engagement Barnese Adair-Wallace, whose decades of service to Auburn University and Facilities will be appreciated for many years to come.

Happy holidays, Facilities!
