FACILITIES MANAGEMENT

June 2019

AUFM HEALTH & SAFETY • CELEBRATION •

Second Health and Safety Celebration braves rain for fun

Thank you to all Facilities Management employees who again made the Health and Safety Celebration a great success!

Vendors brought valuable

information, new technology, health screenings and more to the hundreds of employees gathered in the lawns outside Bulding 1, helping make the program even better than the last.

The photo booth, dunk tank and contests were well received, and a special thanks should be given to the Employee Engagement Committee for their work in making the day special for everyone!
